Key Lime Sunshine

- ¾ C. graham cracker crumbs
- 3 T. melted butter
- 8 oz. softened cream cheese
- 1 can (14 oz.) sweetened condensed milk
- ½ C. key lime juice
- 1 large Cool Whip

Stir together graham cracker crumbs & melted butter. Spoon 1 T into 12 small, clear plastic cups. Pat crumbs down firmly. With electric mixer on low speed, beat cream cheese about 30 seconds. Add condensed milk & key lime juice. Blend on medium speed until just combined, 20-30 seconds. Add 1 cup Cool Whip & blend on low speed for 15 seconds. Spoon evenly into prepared crusts. Freeze until firm, about 3 hours. Remove from freezer 15 minutes before serving. Top with Cool Whip & lime slice. Enjoy!
