Pre-Class Instructions: Please read the instructions completely through at least one time before class. This will help to ensure you understand the cutting information. *It is strongly encouraged that you have the papers, templates, and fabrics for the entire project cut out, placed in bags, and ready to use in class so you can start sewing right away. If this is new for you, it will be taught first thing on day one.*

Check the Quiltworx website for pattern corrections before you begin the project. Corrections can be found at this link: <http://www.quiltworx.com/corrections/> (or use your phone to scan the QR code on the back of your pattern).

PATTERN: POPSTAR by Quiltworx (Judy Niemeyer)
