

# COBBLESTONES

## ***Pattern Correction***

I work very hard on my patterns but nobody is perfect. Despite having a pattern tester & editors sometimes we miss things. Below is the error that was discovered. It will be fixed in future printings.

The Cobblestone pattern has a yardage correction. Please make the following change to the supply list shown in ***bold italic***.

---

***1<sup>5</sup>/<sub>8</sub> Yards***

Border

DP27506-64

---

**Note** - *\*The 1/8 yd fabrics are the exact amount needed.*
