## Tech Tip of the Month

### Lubrication

Oiling your machine on a regular basis is a necessity. But how often should you oil your machine?

For heavy use, oil it every 8-10 hours. For regular use, you should oil your machine after every project and every 3-4 bobbin changes.

## Product Of the Month

### OPEN SEW IS COMING!

Starting March 5<sup>th</sup>, open sew is every other Thursday from 10:30am to 2:30pm! Bring your projects and machines and enjoy social time while creating! Cost is \$10!

## Sewing/Quilting Tip Of The Month

### Why do you Iron

In quilting, ironing is essential to ensure flat, crisp, and precise blocks. You lock in stitches, strengthen seams, and reduce fabric distortion which leads to more accurate, matching points!
