'Sew and Flip Corners' Method

Draw line. Arrange. Sew on line. Trim. Flip to corner. Press.

Assembly

1. Use a ruler and pencil to draw a diagonal line on the back side of eight of the 2-1/2" blue squares.

2. Arrange these blue squares, right sides together, on the corners of the background rectangles as shown on the illustration. Note the direction of the drawn lines.

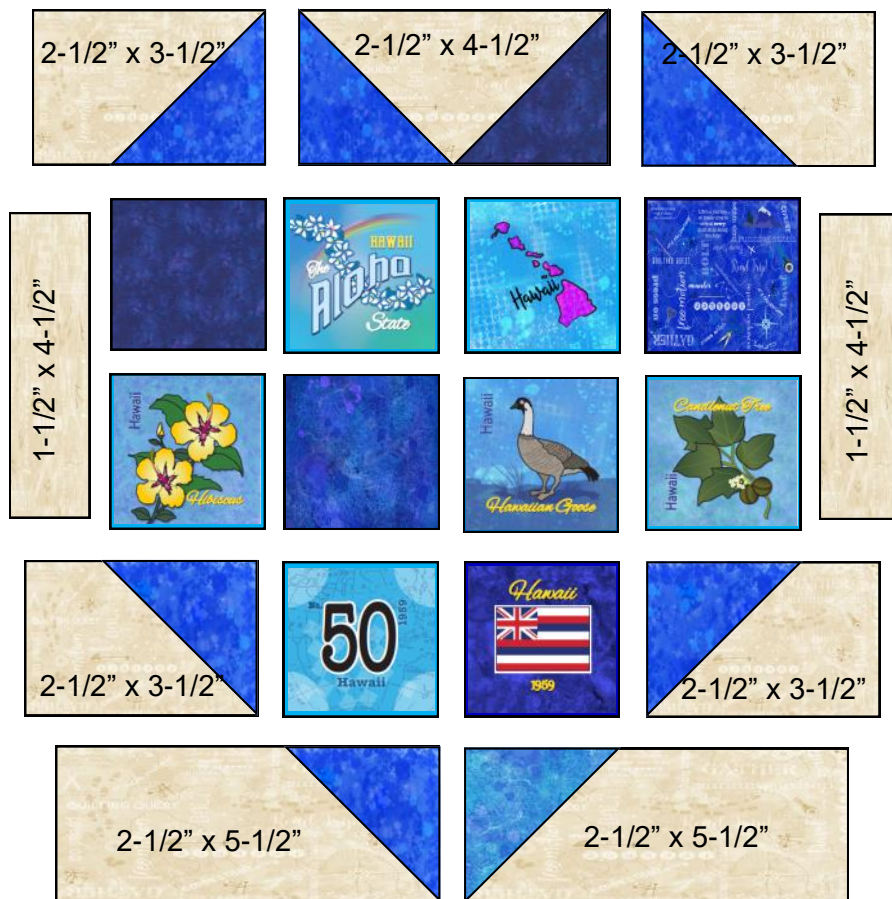

3. Stitch on the drawn lines using the 'sew and flip corners' method to complete the background units. Trim and press as desired.

4. Arrange the background units, Fabric Tokens, and remaining 3 blue squares as shown.

5. Using a scant quarter inch seam, join the units and squares together in rows. Press as desired.

6. Then join the rows. Press.

7. Layer, quilt, and bind as desired. Use and enjoy!
