
Dear BERNINA customer

Congratulations on your decision to buy the BERNINA overlocker/serger!

It is made to the highest standards and we hope it will give you countless hours of satisfying sewing time. Whether your project is garment sewing, home decoration or even patchwork/quilting, by cutting, sewing and neatening in one fast and smooth operation your BERNINA overlocker / serger will give your work a professional look.

Your BERNINA L 450 is a 4-/3-/2-thread overlocker/serger particularly well suited for sewing stretch and thin fabrics. Buying a BERNINA overlocker/serger not only allows you to perform these basic functions to perfection, but you also get supplemented with many exclusive BERNINA features, making your sewing experience even more joyful.

Make sure to study this instruction manual in order to get full benefit of all these functions. Should you require further assistance, your BERNINA dealer will be a good choice to visit. He also carries a selection of optional accessories, which extends the application range of your BERNINA overlocker/serger even further. We are happy to welcome you in the BERNINA sewing family and wish you many hours of happy overlocking/serging and wonderful sewing experiences with your BERNINA L 450.
