### Supported operating systems ‡

Although Windows® 7 (32-bit or 64-bit edition) is supported, we recommend updating to Windows® 10 (64-bit edition) or Windows® 8.1 (64-bit edition) with latest service packs installed. You will, however, need to uninstall any earlier versions of CorelDRAW®.

### Free hard disk space †

BERNINA Embroidery Software occupies up to 5GB of hard disk space, depending on options installed. CorelDRAW® Graphics Suite SE also takes up an additional 3GB.

### Screen resolution ¥

Some controls may be hidden on the user interface if you run your monitor at low resolutions. The physical size of your monitor will have a bearing on the optimum screen resolution. Larger fonts will exacerbate the problem. If you experience visibility issues, try adjusting both screen resolution and font size. For example, a resolution of 1366 X 768 with a font size of 100% or 125% should be acceptable.
