# Quick Monograms

Selecting the Monogram

- Open BERNINA Embroidery Software 8.
- In the Digitize Toolbox, select Monogramming.
- A Monogramming Docker opens on the right side of your screen. The Designs Tab is selected.
- There are 23 styles of quick monograms available with different options.
- The first 23 have a border, ornament, and lettering; the next 23 have a border and lettering, and the last 23 have only lettering.
- Choose Style18bo.
- It automatically appears with border, ornaments, and letters.

Editing the Monogram

- Click on the Letters Tab of the Monogramming docker.
- In the box, highlight ABC and type your initials in the box.
- Change the font by clicking on the drop-down arrow next to Font to choose your new lettering.
- Choose Medley.
- The monogram automatically updates.
- At this point, you could save the monogram if you liked the ornaments and border that are part of the default design, but you can also edit this monogram further.
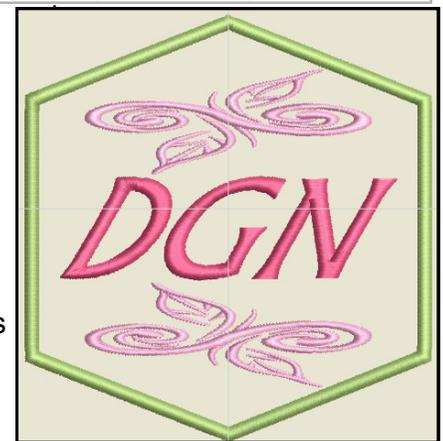

Editing the Ornaments

- Click on the Ornaments Tab of the Monogramming docker.
- Make sure the monogram is selected.
- The current monogram ornament is shown in the display.
- Click on Change to change the ornament.
- You can choose from Patterns or Designs.
- Select From Design.
- In the Decorative Accents folder, Choose NZ943.
- Click on Open.
- The ornament is updated.
- Notice that the new ornament takes on the color and the properties of the original ornament.

made to create **BERNINA**

Editing Advanced Settings

- To change the size, click on Advanced.
- Change the Width to .85".
- Press Enter.
- For Layout Style, select Cycle.
- Change the Rotate value to 100°.
- Change the Margin to 0.14".
- Press Enter.

Editing Borders

- Make sure that the monogram is selected.
- Select the Border tab.
- Select Add.
- Select the first border.
- Place a dot in Fill Type.
- Click on the drop-down arrow for Fill Type and select Lacework.
- Select the second border.
- Change the Offset to .06". Press Enter.
- Close the Monogramming docker.
- Select File> Save as and name the file, Quick Monogram.
