

Victoria Parrish

Victoria “Vicki” Parrish is a national educator and cutting expert for AccuQuilt. Vicki has taught quilting to high school students for the past 3 years, and she always turns to the AccuQuilt GO! fabric cutting system when helping beginner quilters gain confidence and see success.

Vicki’s passion for quilting began many years ago. When she was 8, her grandfather taught her to make her first $\frac{1}{4}$ inch seams! As a Navy spouse, quilting has kept Vicki sane as she traveled and lived in numerous bases around the world. Vicki loves that the AccuQuilt GO! dies and fabric cutters let her complete whatever project and pattern she can imagine.

Vicki has six children and four grandchildren and lives on a small farm in Kenyon, Minnesota with her husband and two youngest children.

FUN FACTS:

I have lived overseas for 30 years, which is longer than I have lived in the continental United States (Go Navy)!
