

Custom Sneaker Class Supply List

- All Inclusive Sneaker Kit (Needs to be ordered when you sign up for Class)
- Your own sewing machine, in good working condition, along with the power cord, foot pedal, extension bed, and any accessories you'll need. Please be familiar with how to operate your machine before class, as class time will be focused on the sneaker-making process.
- 3 coordinating fat quarters:
 - 1 for the main fabric
 - 1 for the lining
 - 1 for the binding
- Thread, for quilting and sewing your sneaker uppers
- Sewing scissors or fabric shears
- Rotary Cutter
- Straight pins or clips
- Marking pen or chalk
- Seam ripper
- Other basic sewing supplies you'd normally bring to a sewing class
