

Edge to Edge Quilting on Your Embroidery Machine Supply List

If you want to finish a quilt quickly, make a quilt completely on your own, or see what else you can do with your embroidery machine, you will love this book. The Easy-Connect Quilting files and technique allow you to use your embroidery machine to get quilting results like you'd see from a long-arm quilter. 10 edge to edge quilting designs and includes instructions for the Easy-Connect Quilting technique, the embroidery files needed to stitch out 10 quilting designs and the Baby Sew Fast quilt pattern a project that's a great size for perfecting this technique.

Supply List

- A quilt top, batting and batting ready to quilt. Lap size or smaller is ideal to get started. This should be pin basted prior to class.
- A small sample quilt sandwich for testing tensions
- Quilting thread – regular sewing thread or 40wt thread is good. Best to avoid heavy threads like King Tut to begin with.
- Marking pencil, either white chalk, blue wash away marker or purple disappearing marker which ever will show up best on your quilt top
- Embroidery machine and module
- Edge to Edge Quilting on Your Embroidery Machine Book and Designs (available at GSC)
