

## Ruler Work for the Domestic Machine Skill Builder 1

These classes - Ruler Work Skill Builder Series 1, 2 and 3 - are *designed for the quilter who knows the basics of ruler work* on a home sewing machine and is ready to explore more challenging designs using ruler work. Each Skill Builder Class is a stand alone class and geared to bolster your ruler work skills, your free motion quilting skills and your design skills.

The rulers used in these Skill Builder classes are the ones you purchased for the Ruler Work for the Newbie Class. No additional rulers will be required for any of the 3 Skill Builder classes

### **Note:**

Bernina owners should be using the #72 Ruler Foot or proper Westalee shank and foot. Owners of other brands of sewing machines must have the proper shank and foot for your model of sewing machine.

### Supplies:

- Sewing machine in good working order and the manual
- Extension table for your machine
- Sew Slip or Supreme Slider for sewing machine bed (recommended but not required)
- 12 1/2" x 12 1/2" square acrylic ruler
- Light blue thread or thread that contrasts slightly with your fabric
- Needles for your machines (80/12 and 90/14 universal)
- Hand sewing needles (easy threading are super!)
- Small scissors to snip threads
- Seam ripper
- Marking tools - blue water soluble marking pen
- Gloves (machinigers, lite weight garden gloves with grip), steady betty or anything that helps you hold/control your fabric
- Pencil, paper for notes

Fabric Prep (Muslin is the best for this)

- 2 - 18" x 22" ish sandwiches - marked as described on next 2 pages

Rulers: Can be purchased at Gloversville Sewing Center.

Westalee 12" Arc (WT-12" arc)

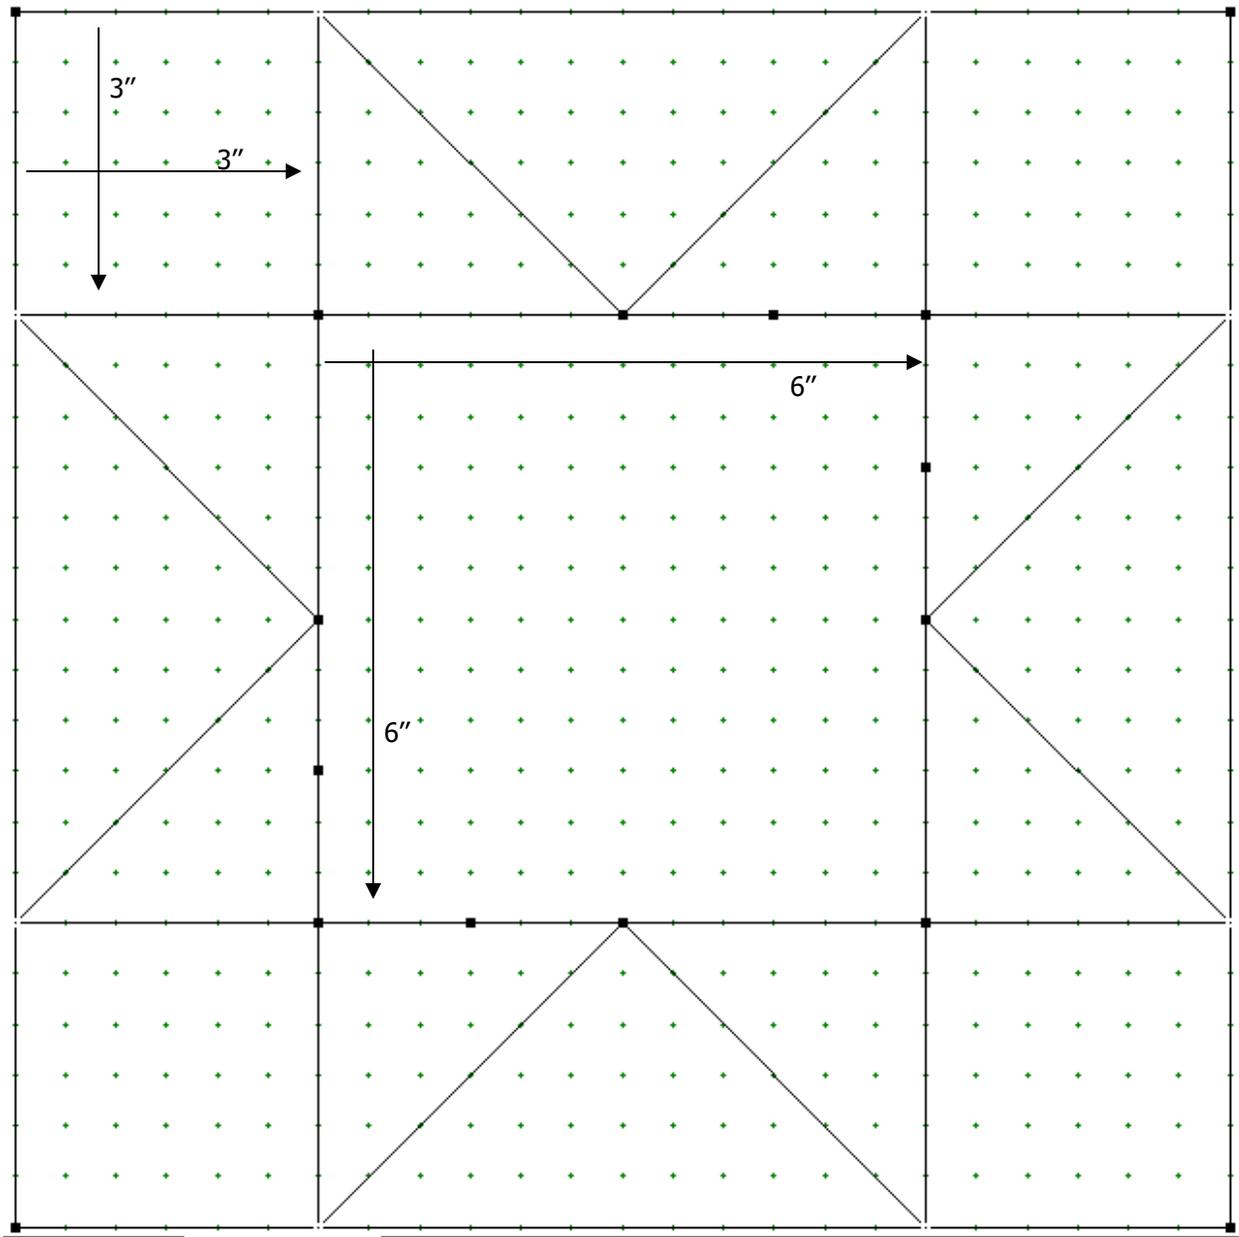

Westalee Sample Template Set #1

Lunch and anything else you see necessary for a day of sewing.

# Ruler Work Skill Builder 1

You will need 2 - 18" x 22" sandwiches. Mark them as follows:  
All marking should be 1 1/4" to 1 1/2" in from the edge of the fabric.  
Use a blue water soluble marking pen to mark your sandwiches.

12" x 12" square

Ruler Work Skill Builder 1 - Mark you 18" x 22" top as shown.  
The blocks etc should be drawn no closer than 1 1/2" to the edge of the fabric.
