Class Supply List

BEFORE class day, please cut and press your 20" squares of fabric.

- **Fabulous Folded Bag*** pattern by Desiree's Designs. Each student is required to bring their own original copy of the pattern to class.
- **Fabulous Folded Bag companion CD (optional).*** If you are going to machine embroider the face on the bunny you need to purchase the companion CD. Please have your designs transferred to your embroidery machine before class. If you need help with this, please come in before class day and we are happy to assist you. Each student is required to bring their own original copy of the design CD to class.
- **Sewing machine in good working condition with embroidery module (optional—bring your embroidery module if you are machine embroidering the face on the bunny).** We have on-site technicians who service most brands of home sewing and embroidery machines—please be sure your machine is working before class. If you would like to borrow one of our classroom machines, please let us know when you register for class. If you do not have a BERNINA, you can still join us for class—these designs are multi-format and will work with most embroidery machines—you must, however, be familiar with how your embroidery machine works.
