

A top-down view of a workspace. In the top right, a silver laptop is partially visible with keys like 'caps lock', 'A', 'S', 'D', 'Z', 'X', 'C', 'fn', 'control', 'alt', 'option', and 'command' visible. Next to it is a white disposable coffee cup with its lid removed. Above the cup is a white plate with a golden-brown croissant. Several blueberries are scattered on the white surface. In the bottom right corner, there is a small potted succulent with green and reddish leaves. A white pen lies horizontally near the succulent. The text 'VIRTUAL' is written in a thin, black, serif font and underlined. Below it, 'Breakfast Club' is written in a large, bold, black, cursive script font.

Clear Blue Tile Method

This table runner uses the same design inside the center, then the border version of the design, and the coordinating bitty block in the cornerstone

Choose allover quilting for a continuous flow or customize each block with a different design!

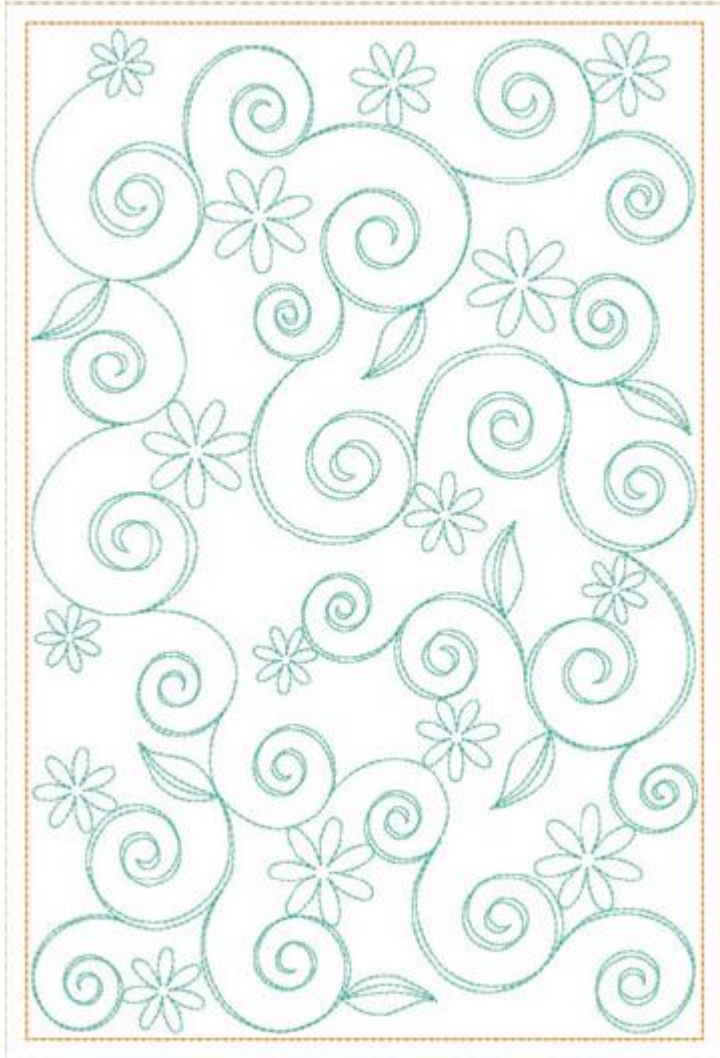

This table runner uses the same design allover the entire surface.

4x6

8x12

Because they have the same scale, you can use a variety of tile sizes on the same project and won't be able to tell the difference.

Block by Block Quilting Style

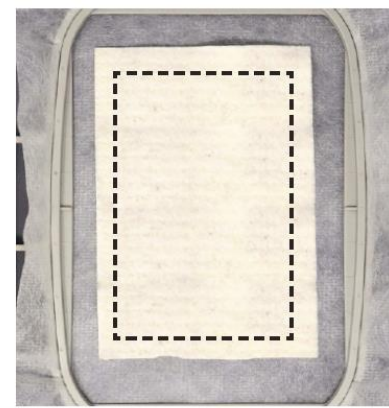

These file include placement and tack down for batting and background fabrics. This style is the what you may already be familiar with quilting with Kimberbell quilting designs.

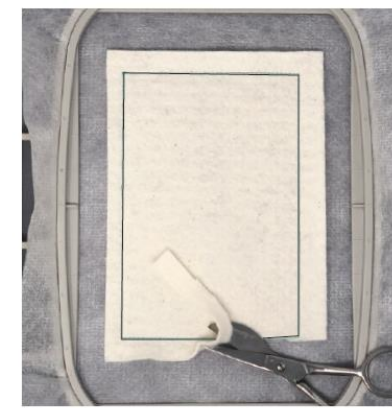

A. Stitch **the batting placement line.**

B. Place the batting, completely covering the placement line. Tape in place.

C. Stitch **the batting tack-down line.** Remove tape.

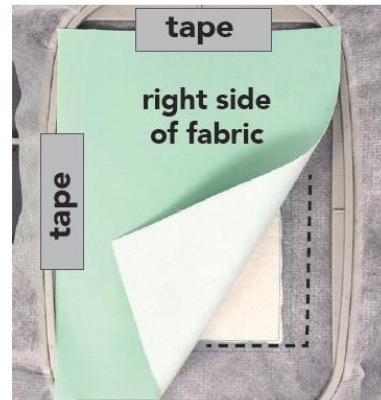

D. Trim batting close to the stitch line.

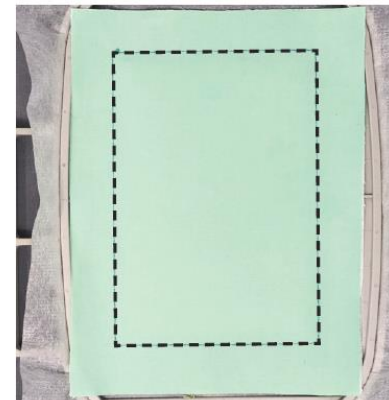

2.

A. Stitch **the fabric placement line.**

B. Place the Background Fabric **right side up**, completely covering the placement line. Tape in place.

C. Stitch **the fabric basting stitch.** Remove tape. (This is not a cut line.)

D. Change thread to desired color. Stitch **the background quilting stitch.**
