OESD Recommended Kit Prep

Fusing

- Prep the pillow fabric with OESD Fusible Woven following step 1 in the instructions.

Templates & Designs

- Print the mirrored pattern designs on to the paper side (shiny side) of Applique Fuse and Fix and roughly cut out the templates.
- Fuse the largest template to the 6" x 6" fake fur and trim just outside the line.
- Fuse the three smaller templates (face & paws) to the 6" x 6" piece of fabric.
- USB Stick with design 52130-02.
