

Collage quilt pattern by Laura Heine

2 yards (or appropriate amount for your pattern) of cotton voile or Pattern Ease 5 yards of Steam A Seam 2 Fabric fuse glue Sharp scissors - medium size works best Cutting mat and rotary cutter Appliqué Pressing sheet Fine permanent marker Pencil Fabric fuse glue Fusing mat and iron(ironing board and iron are available in class if you do not have these). Lots and lots of fabric pieces. I'm not kidding! Fat 1/8ths and 1/4's work well. A variety of scale and color motifs and florals work best.

Note: background fabric will be discussed in class. It is better to audition your background fabric when your collage is near completion.
