Neal's News

Coupons

We all love coupons so we at Neal's have decided to give you more. Watch throughout each newsletter for a coupon good for 1 week only. It could be anywhere throughout the newsletter so keep an eye out for it

Just want to remind everyone that we are not hosting any January Clubs. That gives you more time in your sewing room to create. We want to see more show and tell come February!!!

I just want to let everyone know the Spring Retreat is filling very quickly. As of the writing of this newsletter there were **only 5 openings left** out of 25. The February Petite Retreat still has openings. February 22 and 23rd 9am - 9pm each day. Work at your own pace, come and go as you please.

Beginner's Circle

Are you new to sewing? Have you sewn before but need a refresher course? Has Pinterest piqued your interest in trying some projects but not sure how to get started? Beginning quilters welcome. Let Mary help you at our Beginner's Circle Sewing Sessions. This will be a 'learn as you go class' and very informal. Bring your sewing machine (with manual) and basic sewing supplies such as scissors, pins, ruler

and yes, the dreaded seam ripper. If you have a project in mind, bring that too, or we can help you find your needed supplies in our store, just come early so we can set you up before class starts. For the true beginner, Mary suggests you invest in the "School of Sewing" book by Shea Henderson which has 12 beginner projects (all the projects in the photo are in the book). It also has great tips and how to's regarding sewing supplies and fabrics and is available for purchase at Neal's. Beginners younger than 12 should be accompanied by an adult wanting to learn also.

New Ruler from Creative Grids

Make Folded Corners quickly and accurately with the Creative Grids® Folded Corner Clipper!

No need to draw pencil lines! Since you have to trim the corner anyway, why not trim it first, and use the raw edge as your seam guide? AND... Since the corner was trimmed with a straight edge, your bonus triangle is ready to sew into a Half-Square-Triangle Block! Watch the video showing how to use it.

Check out [Creative Grids You Tube](#) for videos on this and all other Creative Grids rulers.
