Neal's News

Long Arm Club Wednesday

Wednesday, **May 1** is Mary's Long Arm Sew and Tell at **1pm**. Bring your questions and suggestions with you to club. Also any projects you have made. (If there is anyone out there interested in a 4:30pm class, just let us know by April 30 and Mary said she would gladly stay for a second session beginning at 4:30pm.)

Jane has set the dates for this summer's kids sewing classes. She is offering 2 sessions of **Sew Kool 4 Kids**. First session is **June 27 & 28** and the second session is **July 18 and 19**. If you know of any young person who want to learn to sew be sure to check out this class.

Jane has also set a date for a **Recycled Jeans Bag of June 20**. A novice sewist can create this bag from any pair of jeans. The larger the jeans the bigger the bag you can make. Want a small bag? Start with a child's pair of jeans. Don't have any old jeans you want to use? Check out Goodwill or Salvation Army etc.

The next **Petite Retreat is May 3 and 4**. Come and go as you please for 2 days of sewing. This date is a popular one and fills fast so don't delay.

Save the Date: We will be hosting a charity sew day on **September 17** where we will be making pill bags to send with Doctors without Borders. More information to come.

- Leslie's Sewcial will be meeting or April 20 and May 11. Be sure to get signed up
- Jane's Sew Kool 4 Kids has 2 sessions: June 27 & 28
- Mary has a class for the novice sewist. You can bring any project you like or she will help you pick something out. [Look here.](#)
- Recycled Jeans Bag for beginners aged 7 and up on June 20

Beginner's Circle

Are you new to sewing? Have you sewn before but need a refresher course? Has Pinterest piqued your interest in trying some projects but not sure how to get started? Beginning quilters welcome. Let Mary help you at our Beginner's Circle Sewing Sessions. This will be a 'learn as you

go class' and very informal. Bring your sewing machine (with manual) and basic sewing supplies such as scissors, pins, ruler and yes, the dreaded seam ripper. If you have a project in mind, bring that too, or we can help you find your needed supplies in our store, just come early so we can set you up before class starts. For the true beginner, Mary suggests you invest in the "School of Sewing" book by Shea Henderson which has 12 beginner projects (all the projects in the photo are in the book). It also has great tips and how to's regarding sewing supplies and fabrics and is available for purchase at Neal's. Beginners younger than 12 should be accompanied by an adult wanting to learn also.
