There is still time to get signed up for Jane 's **Serger Cover Stitch Bag which meets on July 10** Be sure to get signed up.

Jane has also set a date for a **Recycled Jeans Bag of June 20**. A novice sewist aged 7 and up, can create this bag from any pair of jeans. The larger the jeans the bigger the bag you can make.

Be sure to get the kids in your life signed up for Jane's **Sew Kool for Kids**. Either **June 27 & 28 or July 18 & 19**. We don't want sewing to be a lost art!

We have reduced the price of our Viking Epic floor model. If you have been thinking of moving up to this wonderful machine now is the time!

Beginner's Circle

Are you new to sewing? Have you sewn before but need a refresher course? Has Pinterest piqued your interest in trying some projects but not sure how to get started? Beginning quilters welcome. Let Mary help you at our Beginner's Circle Sewing Sessions. This will be a 'learn

as you go class' and very informal. Bring your sewing machine (with manual) and basic sewing supplies such as scissors, pins, ruler and yes, the dreaded seam ripper. If you have a project in mind, bring that too, or we can help you find your needed supplies in our store, just come early so we can set you up before class starts. For the true beginner, Mary suggests you invest in the "School of Sewing" book by Shea Henderson which has 12 beginner projects (all the projects in the photo are in the book). It also has great tips and how to's regarding sewing supplies and fabrics and is available for purchase at Neal's. Beginners younger than 12 should be accompanied by an adult wanting to learn also.

**Class Meets: Sat., May 25 9:30 - 12:00 OR
Sat., June 22 9:30 - 12:00**

Class Fee \$20.

Jane's Serge and Flip Baby Quilt or Table Topper

This is a very easy method of quilting that can be done with your serger using a 4 thread overlock. Serge the rows together and then 'flip' for the next row. This allows you to have the quilting done while you are sewing the strips together. One side has blocks and the other side has stripes. A 3 thread overlock with decorative threads creates a decorative edge to finish it off! What a great way to use your serger! Use flannel for a baby quilt or cotton fabric for the table topper. Bring a sack lunch and enjoy the day learning on your serger!

Class size is limited so sign up early! You must pay for the class to reserve your spot!
