Class Overview:

Master your fear of making curved blocks by learning the techniques of curved piecing. This class will take the dread out of curved piecing.

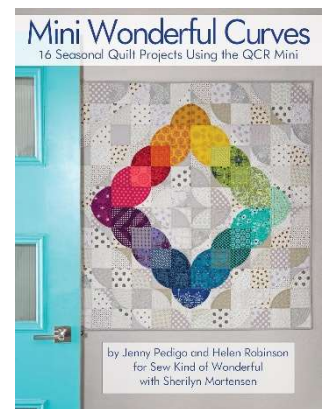

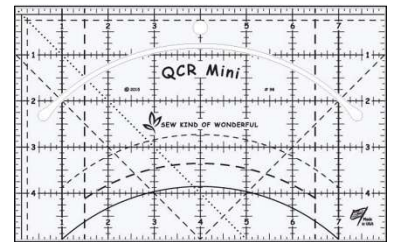

The *Mini Wonderful Curves* by Jenny Pedigo and Helen Robinson book uses the QCR Mini Ruler. This class will be making the Bat Moon Rising quilt.

You can arrive at the Charlotte Sewing Center at 10:00 am to set up your station. We will begin promptly at 10:30 am. You may bring a lunch and/or snacks/drinks to class as we do not take a formal lunch break.

 - 1 white fat quarter
 - 2 ¼ yards background fabric
 - 1 ¾ yards backing fabric
 - ½ yard binding fabric

What to do before class (homework)

- Purchase book, ruler and fabric. (See *Required Class Supplies*)
- Cut out and label fabric as described under General Cutting Instructions on page 63 of the book.

Recommended: *Clean your machine before a class (and on a regular basis). A clean machine works more efficiently and helps avoid machine issues while in class. Also, a new needle in the machine and a new blade in the rotary cutter add to your success with a new project.*
