Lakeshore Sewing Service Check In

40% Off Sewing Machine or Serger Tune-Up or Service

Offer valid May 16-27 (see coupon on back page)

Our service department's goal is to keep your machine running smoothly and stress free.

Whether your machine sees daily use or just the occasional project, keeping it in good tune is essential for great stitch quality, reliability and longevity. Our Authorized service technicians are here to ensure your machine's peak performance every time.

Bring in your Walking Foot/Dual Feed Foot & we'll tune it up for only \$19

*Offer valid July 15-31
(see coupon on back page)*

Oftentimes we hear from customers that their Walking Foot/Dual Feed Foot doesn't seem to be working as well as it did when it was new.

These expensive accessories are made to be serviced and repairable so it's a great idea to have them tuned up every "sew often". If yours is more than a year old and used regularly, or if it's older and hasn't been used much, now is your time to get it working perfectly again.

Walking Foot Tune up includes:

- *Disassembly and Cleaning
- *Inspection of springs and slide surfaces
- *Lubrication with factory recommended lubricant
- *Reassemble and Test

Special also applies to the Baby Lock Deluxe Walking foot and the Baby Lock Digital Dual Feed Walking Foot.

Edge to Edge Virtual Quilting Class with Amelie Scott Designs – ZOOM

If you've ever wanted to learn how to quilt your own quilts using your embroidery machine, this class is for you!

In this 1-1/2 day class held over Zoom, Christine Conner, author of *Edge-to-Edge Quilting on Your Embroidery Machine*, will teach you how to quilt a whole cloth, learning all the key points of the technique as you go. At the end of the class, you will cut apart your quilted whole cloth to make a set of matching place mats.

You will learn how to:

- Use Christine's special embroidery files
- Make templates to get accurate & beautiful results
- Connect embroidery files to make it look like your quilts were quilted on a long-arm
- Simplify hooping for standard hoops
- Accelerate your quilting using a magnetic hoop

The class includes:

- A "tech check" the day before class, to ensure you're ready to use Zoom
- 1-1/2 days of instruction with the author herself
- A printed class booklet
- \$75 worth of exclusive embroidery designs
- Access to class video recordings to review at any time

FREE Schmetz Needle Demo Day

Confused about what needle to use? What do all those numbers mean on the needle package? Is changing the needle really important before it breaks? What needle should I use?

Successful sewing is often about paying attention to the little things – like the needle in your sewing machine. Get the low-down about how this little piece of steel can solve some very BIG problems, including broken threads, skipped stitches and puckered fabrics. Your sewing machine is an investment and protection begins by using the very best needle. Sew SCHMETZ! **FREE**
