Cutting

Choose fabrics with a strong contrast between A/B and Fabric C. Apply spray starch to fabrics before cutting. This is helpful to keep bias edges from stretching and allowing ¼" seams to be opened.

Cut the strips as listed in the charts for a three color project.

Diamond Rings is ideal for using your stash or scrap collection.

Stash

Depending on your stash, cut strips of various shades, then Squedges from the strips.

Scraps

Cut Squedge pieces one by one from your scrap collection for greater variety.
