

Bargello Color Wheel Revised

Correction Sheet

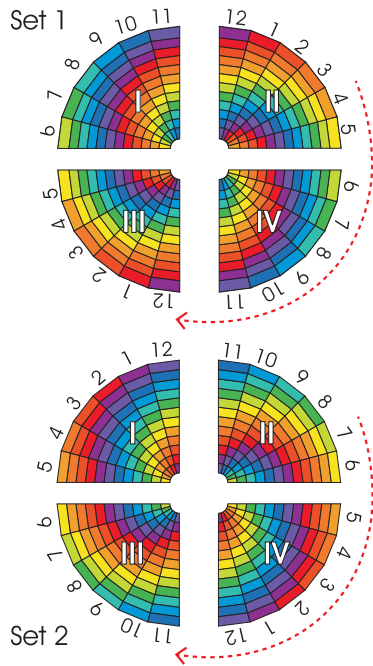

In the pattern published in 2013, the Set 1 and Set 2 in the first diagram of the figure eight were reversed. The assembly is confusing when the diagrams aren't in the correct spot. Here is the revised diagrams to help you assemble the Figure Eight Swirls. Use this correction sheet if you have already started sewing your wedges together.

If you haven't started sewing your wedges together please see the other correction sheet. (available at PhillipsFiberArt.com)

Figure Eight Swirls

- Arrange wedges to form each circle, one from Set #1 and one from Set #2.

Be sure both circles swirl in the same direction.

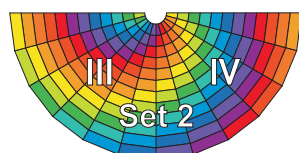

Top and Bottom Halves

- Sew together I and II from Set 1 for the top half.
- Sew together III and IV from Set 2 for the bottom half.
- Set the halves aside.

top half

bottom half

Center Portion

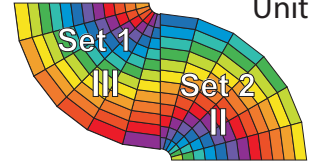

For the center portion, you'll be combining quadrants from Set 1 with quadrants from Set 2.

- Sew Set 2-I to Set 1-IV to form Unit A.
- Sew Set 1-III to Set 2-II to form Unit B.

Unit A

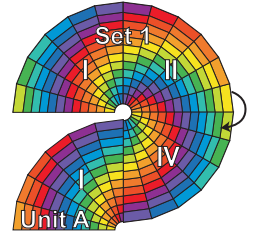

Unit B

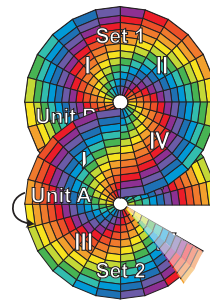

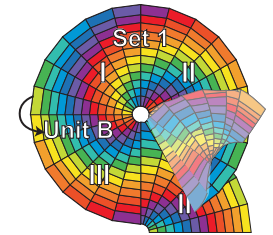

Assembly

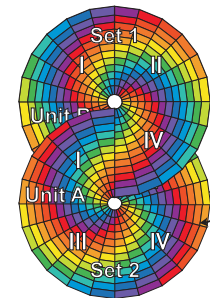

- Sew the upper edge of Unit A to the right side of the top half circle.

- Sew the upper edge of Unit B to the left side of the top half circle.

- Sew the lower edge of Unit A to the left side of the bottom half circle.

- Sew the lower edge of Unit B to the right side of the bottom half circle.
- Sew the top half of Set 1 to the middle section and the bottom half of Set 2 to the middle section.

- Place the figure eight on a flat surface.
- Needle turn applique the edges of the circles to attach them to the circle below.
- After appliqueing, you may opt to trim away the extra thickness from the back side.
- Finish, quilt and bind
