If your circle measures:  
48" use the **blue line**  
49" use the **red line**  
50" use the **black line**

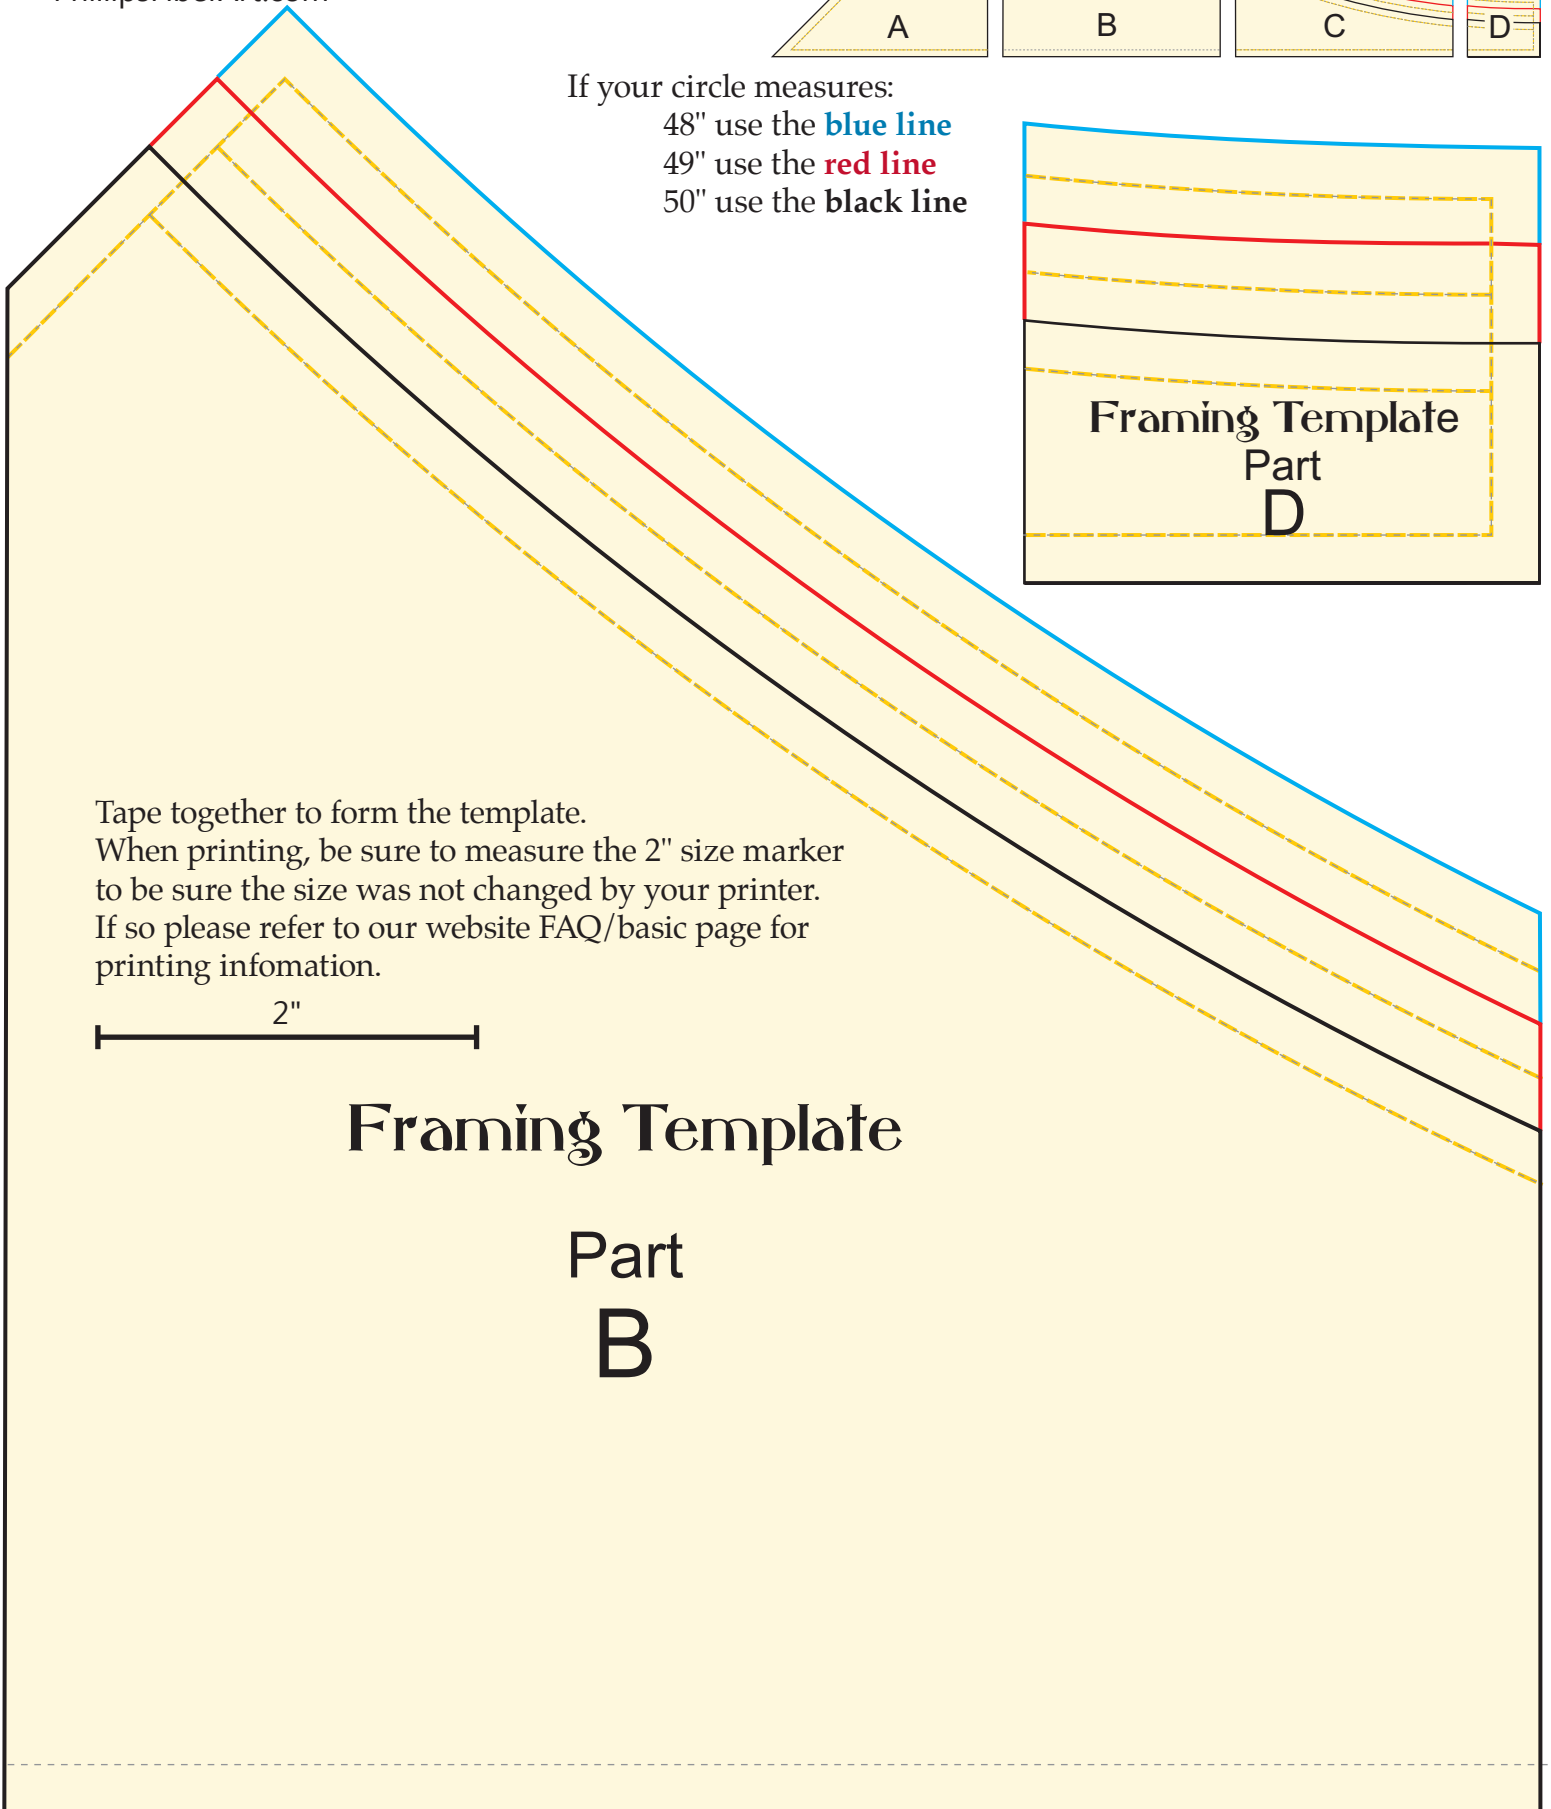

Tape together to form the template.  
When printing, be sure to measure the 2" size marker  
to be sure the size was not changed by your printer.  
If so please refer to our website FAQ/basic page for  
printing information.
