7 strip	8 strip	9 strip	10 strip	11 strip	12 strip
13 strip	14 strip	15 strip	16 strip	17 strip	18 strip

Lots of fabrics, lots of strips! How to keep them organized?

Print this page and label the first and last strip of each fabric.

I've used a old fashioned drying rack(a quilt rack or? would also work)
to hold my strips next to my machine, so I can pull the correct strip in the correct order.

Label the wedges:
