

I recently made another sample of the Petal Pizazz. My fabric was a bit narrower and I could only get 11 cuts from each strip set. I realized I needed to increase the yardage for the A, B and G fabrics.

A  $\frac{1}{2}$  yd  
B  $\frac{1}{4}$  yd  
G  $\frac{3}{4}$  yd

A	$\frac{1}{2}$ yd
B	$\frac{1}{4}$ yd
G	$\frac{3}{4}$ yd
