

“Love Bug” Color-Me Valentine

Design by Christy Brokens

The kids will go buggy for this funny Valentine. Purchase the plastic bugs from a dollar store and then seal them in a bag with your pretty colored card. They'll love it!

WHAT YOU NEED

- Print out of Love Bug art
- Scissors
- Colored pencils, markers, crayons, or watercolors
- Cellophane corsage bag (available at crafts and floral stores)
- Purchased plastic bugs
- Stapler
- Crafts glue

HOW TO MAKE THE PROJECT

- 1 Print the Digital Download Sheet for this project. When printing, you may want to use a heavier paper such as cardstock or if you want to paint the design, print on watercolor paper.
- 2 Use colored pencils, markers, watercolors, or whatever you like to color in the design. Trim the art and fold the paper in half to create a card.
- 3 Place the plastic bugs in the cellophane bag. Trim the bag if necessary. Tuck the bag between the folded card and staple to secure.
