HOW TO MAKE THE PROJECT

- 1 Print the Digital Download Sheets (3 individual pages) for this project. When printing, you may want to use a heavier paper such as cardstock or if you want to paint the design, print on watercolor paper.
- 2 Use colored pencils, markers, watercolors, or whatever you like to color in the design. Cut out the round jar topper and tag.
- 3 Be sure the jar is clean and dry. Fill the jar with mint candies. Place the metal flat on top of the jar. Place the colored jar paper topper on top of the metal flat. Screw the ring on the jar. Cover the ring with the pleated ribbon securing with crafts glue.
- 4 Punch one hole at the top of the tag. Thread the red-and-white twine through the hole, wrap around the jar, and tie with a knot.
