

How to Applique "Fabric, Etc."

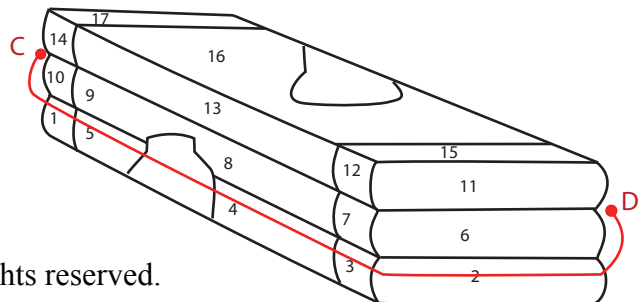

1. Using the number guide on the diagram above, baste 1.
2. Select words for 2. Baste in place. Use light box if necessary.
3. Baste 3. Using a split seam on the bottom edge, applique the seam between 2 & 3.
4. Baste 4 & 5. Using a split seam on the bottom edge, applique the seam between 3 & 4.
5. Using a split seam on the bottom edge, applique the seam between 1 & 5.
6. Applique the bottom outer edge beginning at A and stitching to B. (If left-handed beginning at B and stitch to A.)

Repeat the process on the middle bolt.

7. Baste 10.
8. Select words for 6. Baste in place. Use light box if necessary.
9. Baste 7. Using a split seam on the bottom edge, applique the seam between 6 & 7.
10. Baste 8 & 9. Using a split seam on the bottom edge, applique the seam between 7 & 8.
11. Using a split seam on the bottom edge, applique the seam between 9 & 10.
12. Applique the bottom outer edge beginning at C and stitching to D. (If left-handed beginning at D and stitch to C.)

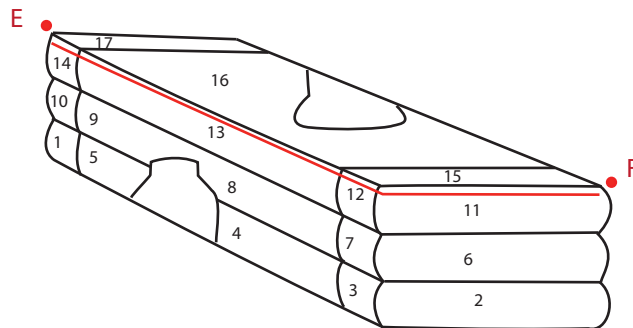

The process on the top bolt is slightly different.

13. Using the number guide on the diagram above, baste 14.
14. Select words for 11. Baste in place. Use light box if necessary.
15. Baste 12. Using a split seam on the bottom edge, applique the seam between 11 & 12.
16. Baste 13. Using a split seam on the bottom edge, applique the seam between 12 & 13.
17. Using a split seam on the bottom edge, applique the seam between 13 & 14.

DO NOT STITCH THE BOTTOM EDGE AT THIS POINT

18. Baste 15 & 17.
19. Baste 16.
20. Using a split seam on both ends of seam, applique the seam between 15 & 16.
21. Using a split seam on both ends of seam, applique the seam between 16 & 17.
22. Beginning at E applique to F. If left-handed applique from F to E.

23. As your last step, applique from G to H. If left-handed, applique from H to G.
