Class Description:

The class will start with a fun and humorous discussion of UFOs (**Un**Finished **O**bjects – Quilt Projects), why you have them and what to do with them. We will look at your UFOs and discuss options for getting them finished. The rest of the class will be spent working on your UFOs. Stuck on a technique? Dealing with unclear instructions? Don't like the layout? Design or colors aren't working? Judi will teach skills and techniques and work with color and design questions throughout the class.

About the Instructor:

A member of Big Cypress Quilters Judi has been involved in quilting for 40 years. She has taught in a variety of settings and countries, both hand and machine techniques. A Villages resident for 3 years she is always happy to share her knowledge with new and seasoned quilters.
