

**Member2Member Class**  
**Improvisational Floating**  
**Squares**

**Class Description:**

This class is about exploring improvisational patchwork, which you will design yourself, while setting limits with the amount of fabric used and the size of your squares. Students will also learn about ruler-free patchwork. By setting your own limits and making your own choices you will be able to discover your own creative expression.

**About the Instructor:**

Debbie has been quilting for over 20 years and has been teaching quilting for about 15 years. She is an award winning longarm quilter and has designed and pieced quilts for fabric manufacturers. Some of these have been published in major quilting magazines.

**Project Samples will be shown at the April, May, and June Guild Meetings!**

Cash or check ONLY payable to Debbie Bookman due at time of registration. Registration deadline – June 6. No refunds after June 6. Please pay your Chapter's Program Representative or at the Guild Meeting.
