## The Final Stitch

*The Final Stitch – Every quilt tells a story, and that story is yours.*

The Final Stitch is an interactive workshop that helps quilters to record “a little bit more” than their name and the date on a quilt label. AnnMarie will show you **how to create a no-sew, 8-page fabric booklet** that can be attached to a quilt; and she’ll guide you through some writing prompts to help you tell your quilt’s story. Even if you don’t think of yourself as a writer, this workshop will help you to see your quilts through the eyes of the future and give you the tools you need to tell their stories.

AnnMarie will also show some of her antique quilts and tell their stories. Feel free to bring a Show and Tell quilt – old or new.

Materials will be available in class in form of an optional \$10 kit, or you may bring a LIGHT fat quarter (muslin, white, light cream...no obvious prints) lightweight iron-on fabric adhesive (such as Heat -n- Bond), a permanent fabric pen, rotary cutter and mat. Paper and a regular pen or pencil are also needed.
