**Class Description:**

Diane will share with us the fascinating history, traditions and techniques of this unique applique style of Hawaiian quilting. You will not want to miss this! So very portable; a needle, thread and fabric is all you need so you can take it anywhere! You will find it to be fun and liberating, too!

**About the Instructor:**

A former quilt shop owner with much sewing and art experience (and very popular M2M instructor, too!), Diane learned this style first-hand starting with her first trip to Hawaii in 2002.

A project sample will be shown at the October guild meeting and after.

Cash or check payable to QGOTV due at time of registration. Registration deadline is December 8<sup>th</sup>; no refunds after that date. Please pay your Chapter's Program Rep, at the Guild Meeting or online ([www.QGOTV.org](http://www.QGOTV.org))
