Cut 2 ~ 3 ⅞" x 3 ⅞" Squares
** then sub-cut into half square triangles

Sewing Directions:

Step One:

Unit A

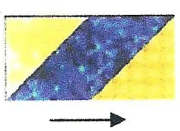
1: Using a ¼" seam, sew a dark blue half square triangle to a dark yellow half square triangle with right sides together. Press the seam towards the dark blue fabric. You will need to make 4 half sqaure triangle unit *A*'s as shown.

Unit B

2: Now begin to sew a dark blue half square triangle to a light yellow half square triangle with right sides together. Press the seam towards the dark blue fabric. You will need to make 4 half square triangle unit *B*'s as shown.

Your units should measure 3 ½" x 3 ½" at this point.

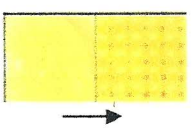
Step Two:



1: Using a ¼" seam, sew unit *B* to a unit *A* with the dark blue sides matching. Press the seam to the square with the dark yellow fabric.

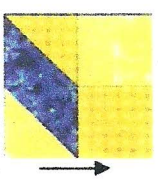
You will need to make four units as shown.

Step Three:



1: Using a ¼" seam, sew one 3 ½" light yellow square to a 3 ½" dark yellow square.

Press the seam towards the dark yellow fabric. Repeat this step to make 4 units.

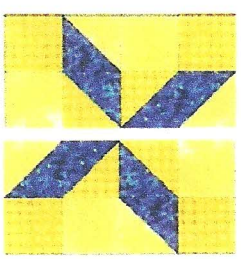


2: Begin to join the units together by nesting the seams and pin to secure. Using a ¼" seam sew the units together to form the block units. Press the seams towards the yellow blocks.

Make four block units.

Step Four:

1: Begin to join the block units together by nesting block seams and pin to secure.



2: Sew them using a ¼" seam. Press each set in opposite directions. Join the two sets, being sure to nest the seams as shown.

To give a smooth flat finish, press the row seams open. We suggest using *Best Press* ™ for your final pressing.

Your block is complete!
