

Terry Atkinson

Terry's Shortcuts and Stories

**At Atkinson
Designs,
quilting is one
of life's simple
pleasures.**

Terry is a former home economics teacher whose love of quilting morphed into teaching quilting classes at a local quilt shop

In 1997, International Quilt Market came to Terry's home state, and she happily exhibited her work for the first time. Soon Terry's pattern line grew to include books, and the family-run business grew along with it.

All these years later, Terry still enjoys creating new quilts and sewing projects.
