### Stitchers Make Special Quilts For Each Veteran Going On the Next Honor Flight

Every veteran on Villages Honor Flight Mission 41 will have a quilt to call their own this September.

Chapters of the Quilting Guild of The Villages have completed their quilts for the September mission, including members of their Citrus Stitchers, who completed their first honor flight quilt last month.

"We're a new chapter, and many members are new quilters," said chapter President Gwen Frey, of the Village of Dunedin. "They went out of their comfort zones to make the blocks, and it was an honor for them to work on this quilt."
