BIG CYPRESS QUILTERS

QUILTERS BEGIN MAKING CHRISTMAS STOCKINGS FOR OPERATION SHOEBOX

The quilters already have begun making stockings that will be donated to Operation Shoebox because of the large number that will be needed. Their festive fabrics were stacked and ready to go.

"We always like to be prepared," said Selina Kidney, of the Village of Fernandina. "Plus, it feels really good to make something and give back to a good cause."

QUILTING CHAPTER COMPLETES ITS FIRST HONOR FLIGHT QUILT

On Tuesday, chapter President Gwen Frey delivered the group's first quilt for Villages Honor Flight. The quilt will be given to a veteran going on the next mission to Washington, D.C., in September. Frey said chapter members, many of whom are new to quilting, were honored to participate in this guildwide charity project that brings comfort to local veterans.
