

MEMBERS MAKE NEW ITEMS OUT OF 90-YEAR-OLD QUILTS

The group hosted Bill and Maureen Houston, of the Village of Dunedin, at its meeting Tuesday. Members donated four quilts from Bill's family, made circa 1930 in the Oklahoma or Texas area. The chapter also was able to make many useful items for the Quilting Guild of The Villages' Oct. 6 Creative Quilters Market, including Christmas stockings, heart and cat pillows and a tree skirt.
