

Block of the Month Club

8:30 am – 11:50 am
Fourth Saturday of each Month
Captiva Recreation Center

Come join us as we work on our quilts in the block of the month format. Come and work on your Farmers Wife, Dear Jane, or similar quilt. You provide your own pattern and materials and set your own personal monthly goals. Let's see if we can finish some of our projects. We will share Show and Tell of our monthly progress, help each other out if we are running into problems, and, of course, have lots of sewing time.

Meeting dates for the Block of the Month Club in 2019
March 23, April 27, May 25, June 22, July 27, August 24,
September 28, October 26, November 23 and December 28.
