REMINDER....Washing charity items for Shands before handing in is important. The patients may have a reaction to some scents and they're dealing with enough. THANK YOU.

We had two visitors to the group today, hope to see them again.

CHATHAM QUILTERS

February 20, 2018

We had a special visitor today, a members granddaughter and best of all she is a quilter. If you need membership paperwork see Sue Cumo or Irene Clark.

Irene is talking to the ladies of Fenney and the ladies handling the charity quilts. She will see them at the executive board meeting today and get back to us with the outcome.

Irene talked to Schloe of Sharkey's Sew and Vac. to set up a demo for the half square triangles using the Bloc Loc ruler. Schloe's email was read to the members. There was also a vote taken on the chapter's buying one of the rulers for \$26.50. It looks like the vote went for a yes. Will be getting back with more information at a later date for a demo.

Diane English read a beautiful letter from the Hands Of Mercy Everywhere, a house in Belleview. The teen moms staying there let us know how grateful they are to receive the quilts and send us a thank you.
