

FREE BATTING

Quilts of Valor Basic Requirements:

- Fabric used should be high quality 100% “shirt-weight” or “quilt-weight” cotton fabric .
- While Quilts of Valor do not have to be red, white, and blue, most recipients, given a choice, choose quilts that are patriotic in theme. Avoid non-“patriotic” fabric (overly floral), unless the recipient is known in advance, may create difficulty in identifying a recipient.
- Patterns and blocks can be of any design suitable for a patriotic theme.
- A Quilt of Valor is to be large enough to cover an average-sized adult, with an ideal size approximately 60” x 80.” **Finished size can be no smaller than 55” x 65”** and no larger than 72” x 90.”
- A Quilt of Valor consists of a top, batting, and backing, and must be machine quilted or hand quilted. A tied quilt is not acceptable for a Quilt of Valor.
- Batting should be quality, low-loft batting.
- Binding strips should be joined with diagonal seams. Binding should be double-fold (“French fold”), attached by machine, and finished by hand or machine.
- A Quilt of Valor must be labeled as such. A Quilt of Valor may be awarded in a presentation case, though a presentation case is not required. Information about making a presentation case is in the “QOV Construction Quick Reference Guide” in the *Appendices* section of the Policies & Procedures manual.
- Before awarding, a Quilt of Valor must be machine laundered (gently, using mild detergent) so any bleeding of fabric dyes has occurred prior to awarding, and because some facilities where quilts are awarded require pre-laundering. Use of a “color catcher” that attracts loose dye during washing is recommended.
- A note, card, letter, or journal documenting the creation of a Quilt of Valor may be presented to the recipient along with the quilt. For more information go to QOVF website: www.QOVF.org
