## Ruby Jubilee Celebration Quilt Shows

At the end of the Utah Quilt Guild's 30th year birthday celebration a booklet called "Thirty Years Strong and Beyond" was published. The ending paragraph stated the hope that our history would be written for many more years.

Ten years later we continue that theme with this commemorative booklet in remembrance of our Ruby Jubilee Quilt Shows and 40th year birthday celebration.

Twenty-seventeen marked the fortieth anniversary of the Utah Quilt Guild, but planning for the celebration began in 2015. Many members of Utah Quilt Guild had attended the Ruby Jubilee red and white quilt show at the Brown Convention Center in Houston in the fall of 2014. In February 2015, the Utah Quilt Guild board was approached with the idea of having a grand celebration in 2017..... "something to engage our members throughout the state of Utah and for the entire year".

A committee was assembled: Helen Butler, Nina Cook, Megan Legas, Carole Lifferth, Crystal North, Kathy Porter, Barbara Walsh and Sharon Wright all participated to make this endeavor a success. The broad outline was presented to our membership at the end of the 2015 Quilt Festival with follow-up articles in the Beeline.

Each chapter of Utah Quilt Guild was asked to make a quilt to be part of a Traveling Show. In addition, our members were encouraged to make quilts to participate in the four Individual shows held throughout the state. The rules were simple...red and white, no larger than 98"x 98" and any technique. There were no category restrictions and the prizes were awarded by viewer's choice balloting. The following pages showcase the winners and participants in the Individual, Traveling and Quilt Festival Shows.

## **Ruby Jubilee Celebration Quilt Shows**

**The Traveling Show was a collection of 45 Red and White quilts that were displayed as a whole collection in 4 locations across the state of Utah. The final showing of these special quilts was held at the Ruby Jubilee Quilt Festival celebration held September 19-23, 2017 in Layton, Utah.**

**Each chapter of the Utah Quilt Guild was invited to submit a quilt for the Traveling Show Collection. Some of the guilds held Red and White quilt contests to determine who their entrant would be while others asked any member making a Red and White quilt to submit it to the Traveling Show.**

**The Brigham City Museum of Art hosted the Traveling Show from late January through the end of March. The museum staff also produced a catalog which was available for purchase.**

**As Past President for the Utah Quilt Guild, Kathy Porter had the privilege and responsibility to choose the theme for the 2017 Quilt Festival. When she realized that a Ruby Jubilee is a celebration held to mark a 40th anniversary and since rubies are red she proposed that the all the quilt show entries be created to showcase red and white quilts.**

**With members actively participating in quilt guild challenges to qualify for the Traveling show and four Individual shows there would be plenty of red and white quilts to display.**

**This special Ruby Jubilee Quilt Festival show would be the perfect way to cap off our 40th year Red and White celebration.**

**The Utah Quilt Guild invited everyone to come and celebrate our 40th anniversary and Ruby Jubilee Quilt Show. The largest Red and White Quilt Show in the history of the state of Utah would be held at the Davis Conference Center  
1651 North 700 West Layton, Utah  
September 19-23 2017**
