

## **Janet Vawter**

Janet has been working with our shop from the very beginning and brings a wealth of knowledge in the fiber arts. She is a knitter, sewist, spinner, weaver and sew much more. A former sheep owner, she creates some lovely projects from fleece and willingly shares her abilities with our customers.

Married to Keith for fifty years before his passing, they have two children and two beautiful granddaughters. Janet retired after fifty-four years as para legal with a local attorney's office, giving her free time to spend with her family and stitch.

Ready to help and always filled with great ideas, we love having her as a resource for our staff and customers. Because of the recent social restrictions, she has not been present in our shop as much as we would like in 2020. You can be sure once things open back up, she will be here to share her multiple talents with us all.
