

Julie Petty

Julie is a Kindergarten teacher by day, Always In Stiches employee by night, so you will see her in our shop frequently during the evenings, weekends and school breaks. Her mom, Nancy, is also a staff member and they are one of two Mother/Daughter teams in our shop.

Julie enjoys crochet and quilting when she is not teaching her littles. Many of her students are special needs and her ability to work with them is a true gift. Her gentle nature also makes her the right person to work with our customers when choosing and combining colors for projects. We lovingly call her our "Fat Quarter Diva" as she enjoys sorting, arranging, and keeping our fat quarters in tip top shape. Her training in color and design helps her make excellent choices for all our customers.

Recently married to Brian, she is in the midst of preparing for the birth of their first child, and decorating her new home, which will include her very own sewing room. Known to her nieces and nephews as Aunt Ju Ju, she has a big heart that makes each of them feel special.

Julie is a great asset to our customers and staff. She always has a big smile and willingness to help make each day better for those around her. We feel blessed to have her as part of our team and know our customers enjoy her youthful approach to all things crafty.
