

Julie Rauschuber

Julie recently moved to Noblesville and found the shop to be her favorite place to visit. When we put out a request for someone to be the Hamilton County Linus Project coordinator it didn't take long for her to say yes. Her organization skills and enthusiasm made it obvious she would be a great staff member. Sew...now you will find her working in the sewing machines department or cutting fabric at the front desk.

A sewist for all her life, she didn't start quilting until 2018 and has already made too many to pick a favorite. When she is not working, she is sewing or spending time with her family. She has been married to Mark for 29 years and they have 3 children; a teacher, a software engineer and a tax accountant. Just ask if you want to see her proud momma face shine!

She welcomes all our customers with a happy hello and loves helping create the welcoming atmosphere in the shop. We are glad to count her as one of the great members of our qualified stitching staff.
