May 2020

Postponed classes

Currently all classes through May 4th have been postponed. It is possible that more classes will be impacted. It will depend on when we are allowed to reopen. We will work diligently to reschedule everything once we have that information. Events with national educators will take precedent for times and rooms as we have to work around their schedules. If you have paid for a class, you will be contacted when a new date has been set to see if it will work for you. If not, we will work on refunds. Please be patient as we work through rescheduling. We already have future classes on the calendar. We will be working with our teachers to get the classes on the calendar as quickly as possible. Please watch the webpage, Facebook and email for updates. We appreciate your support as we work through this

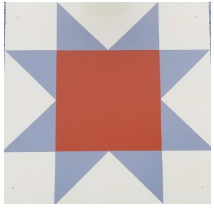

MASK MAKING UPDATE

As of today we have returned to CarDon & Associates 1900 completed masks. We have sold over 300 kits at our cost. Many others have called in or placed online orders for specific fabrics to create masks. It has been a blessing to be part of this grass roots movement to help our front line responders in this health crisis. Thank you so much.

To that end

- We are still taking orders for mask kits with free shipping anywhere in the continental USA or safe pick up in our vestibule.
- We **DO NOT HAVE ANY ELASTIC** and we won't be getting any. We DO have lots of BIAS tape that just arrived.

Charitable Works

When we reopen we will be collecting food for local food pantries to help them restock and support our friends and neighbors. We will be taking donations of non perishable foods and canned goods. Thank you for your help in supporting our community.

**Feeding the
Community**

Answers to Other FAQ's

- We are still taking online orders and offering free shipping anywhere in the continental USA or safe vestibule pick up from 10:00 -3:00. You can order from the website. Please understand that while we will take phone orders the phones are very busy and if at all possible we would appreciate you using the website.
- We are taking in all brands of machines except for Brother for service. Please contact the shop to make arrangements for dropping off your machine. There is paperwork that must be completed.
- If you have other questions please contact sandy@alwaysinstitches1.com

Recent events have emphasized how important it is that we have accurate contact information for everyone. Please be sure we have an accurate email, cell phone and/or phone number for you in our system. It is important for us to be able to contact you if there is change in a class you are registered for and so you get emails with the most current information about upcoming classes and new products. Please email any updated contact information to

sandy@alwaysinstitches1.com

so that we can update our database. Thanks!
