PLEASE NOTE: The block features B triangles using (5) fabrics. Plan your fabric selections and fabric placement before proceeding with "B" cutting.

A	(25) 2 ³ / ₈ " squares; cut each square once diagonally to make (50) A triangles. (1) triangle will be unused.
B	(25) 2 ³ / ₈ " squares; cut each square once diagonally to make (50) B triangles. (1) triangle will be unused.

Assembly

1. Begin block assembly by creating HST units. (Please note: HST units may vary in color as shown in the block diagrams. Trim measurements and instructions remain the same. Plan fabrics accordingly.) Place (1) A triangle with (1) B triangle, right sides together and edges aligned.
2. Sew along the longest edge of the triangles using a ¹/₄" seam. Press toward the dark fabric.
3. Trim HST unit to measure 2" x 2" unfinished.
4. Repeat to make (49) HST units of the same size using the instructions above.
5. Once HST unit assembly is complete, arrange HST units in the color pattern of your choice in a 7 x 7 grid. Sew HST units together in (7) horizontal rows, alternating the direction in which you press the seams in each row as shown in the diagram.
6. Sew horizontal rows together to complete the block center. Press downward, or press open.
