

Cutting

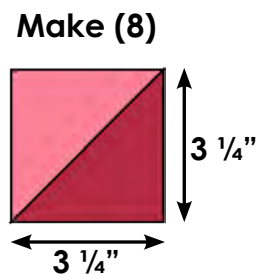

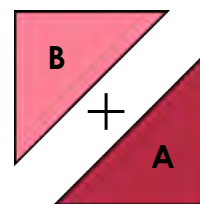

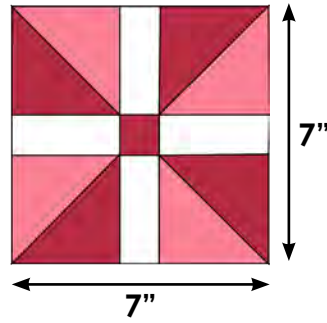

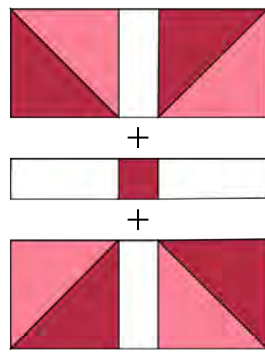

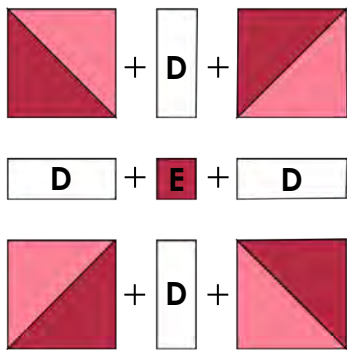

Cut Square Once Diagonally

A	(4) $3 \frac{5}{8}$ " squares; cut each square once diagonally to make (8) A triangles.
B	(4) $3 \frac{5}{8}$ " squares; cut each square once diagonally to make (8) B triangles.
C	(4) $3 \frac{1}{4}$ " x 7" rectangles.
D	(4) $1 \frac{1}{2}$ " x $3 \frac{1}{4}$ " rectangles.
E	(1) $1 \frac{1}{2}$ " square.

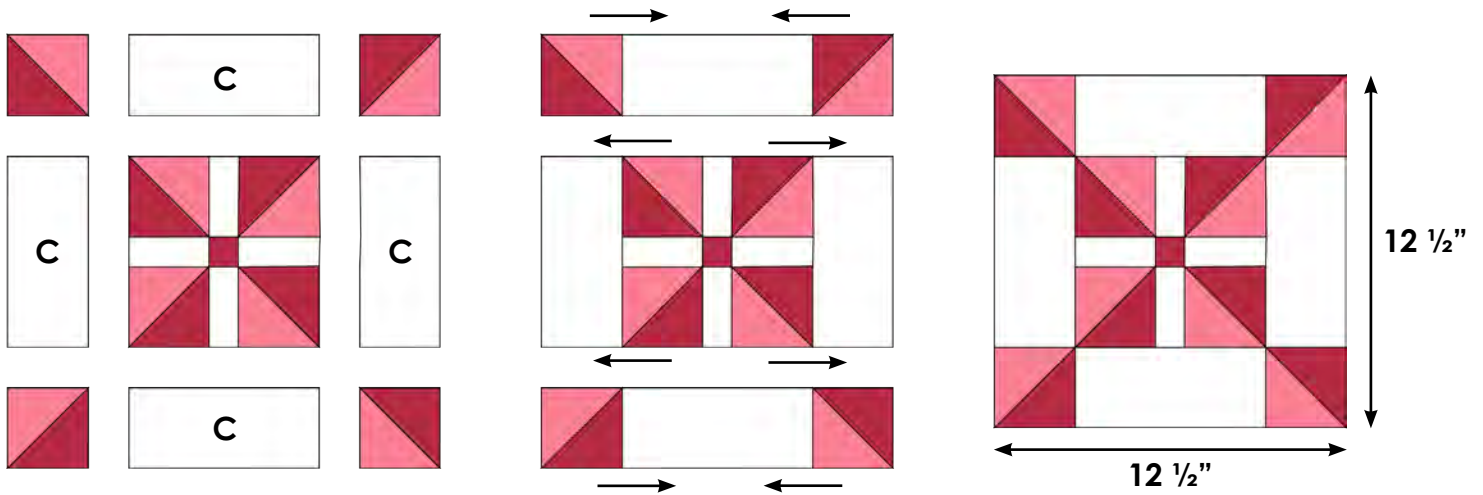

Assembly

1. Begin block assembly by making HST units. Place (1) A triangle and (1) B triangle right sides together and edges aligned.
2. Sew along the longest edge using a $\frac{1}{4}$ " seam. Press to the dark fabric.
3. Trim the HST unit to measure $3 \frac{1}{4}$ " x $3 \frac{1}{4}$ " unfinished.
4. Repeat to make (8) identical A/B HST units.
5. Make the block center using (4) A/B HST units, (4) D rectangles and (1) E square. Place units as shown.
6. Sew together in (3) horizontal rows, pressing all seams toward the D rectangles.
7. Sew horizontal rows together to complete the block center. Block center should measure 7" x 7" unfinished.

8. Continue block assembly by laying out the block center, the remaining A/B HST units and (4) C rectangles. Sew together as shown in the diagram. Press seams toward the C rectangles to complete. Block should measure 12 1/2" x 12 1/2" unfinished.

Be sure to share your block and progress online!
