<b>B</b>	(20) 1 ½" squares.
<b>C</b>	(4) 1 ½" x 2 ½" rectangles.
<b>D</b>	(4) 1 ½" x 4 ½" rectangles.
<b>E</b>	(4) 1 ½" x 6 ½" rectangles.
<b>F</b>	(4) 1 ½" x 8 ½" rectangles.

## Assembly

1. Arrange A-B squares and C-G rectangles as shown in the diagrams.
2. Begin sewing the block together in layers, attaching rectangles to the block center in alphabetical order. For all layers, sew the side rectangles first. Then attach B squares to the top and bottom rectangles and sew. Press all seams toward the C-G rectangles and away from B squares.
3. Continue sewing until the block is complete. Block should measure 12 ½" x 12 ½" unfinished.

Be sure to share your block and progress online!
