

## Cutting

<b>A</b>	(2) 2 1/2" squares.
<b>B</b>	(10) 2 7/8" squares; cut each square once diagonally to make (20) B triangles.
<b>C</b>	(3) 2 7/8" squares; cut each square once diagonally to make (6) C triangles.
<b>D</b>	(5) 2 7/8" squares; cut each square once diagonally to make (10) D triangles.
<b>E</b>	(2) 2 1/2" x 8 1/2" rectangles.
<b>F</b>	(1) 8 7/8" square; cut the square once diagonally to make (2) F triangles. (Please note: (1) triangle will be unused.)

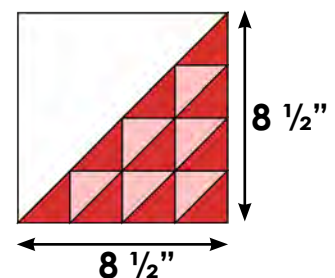

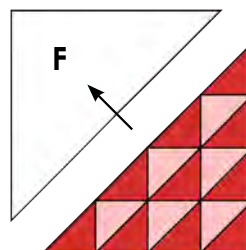

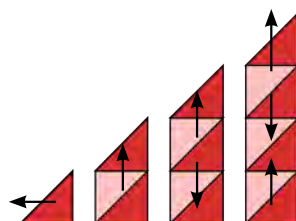

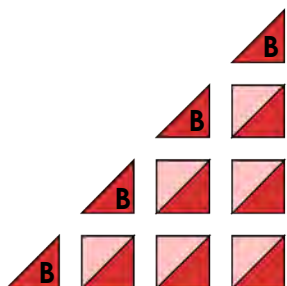

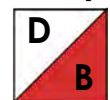

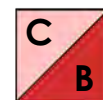

## Assembly

1. Begin block assembly by creating HST units. Place (1) B triangle with (1) C triangle, right sides together and edges aligned.
2. Sew along the longest edge using a 1/4" seam.
3. Trim the HST unit to measure 2 1/2" x 2 1/2" unfinished. Press to the B triangle.
4. Using the HST unit assembly instructions, repeat to make (6) B/C HST units and (10) B/D HST units. All HST units should measure the same.
5. Make the block center using (6) B/C HST units, (4) B triangles and (1) F triangle. Sew together as shown. Arrows indicate pressing instructions. The block center should measure 8 1/2" x 8 1/2" unfinished.

Make (6)

Make (10)

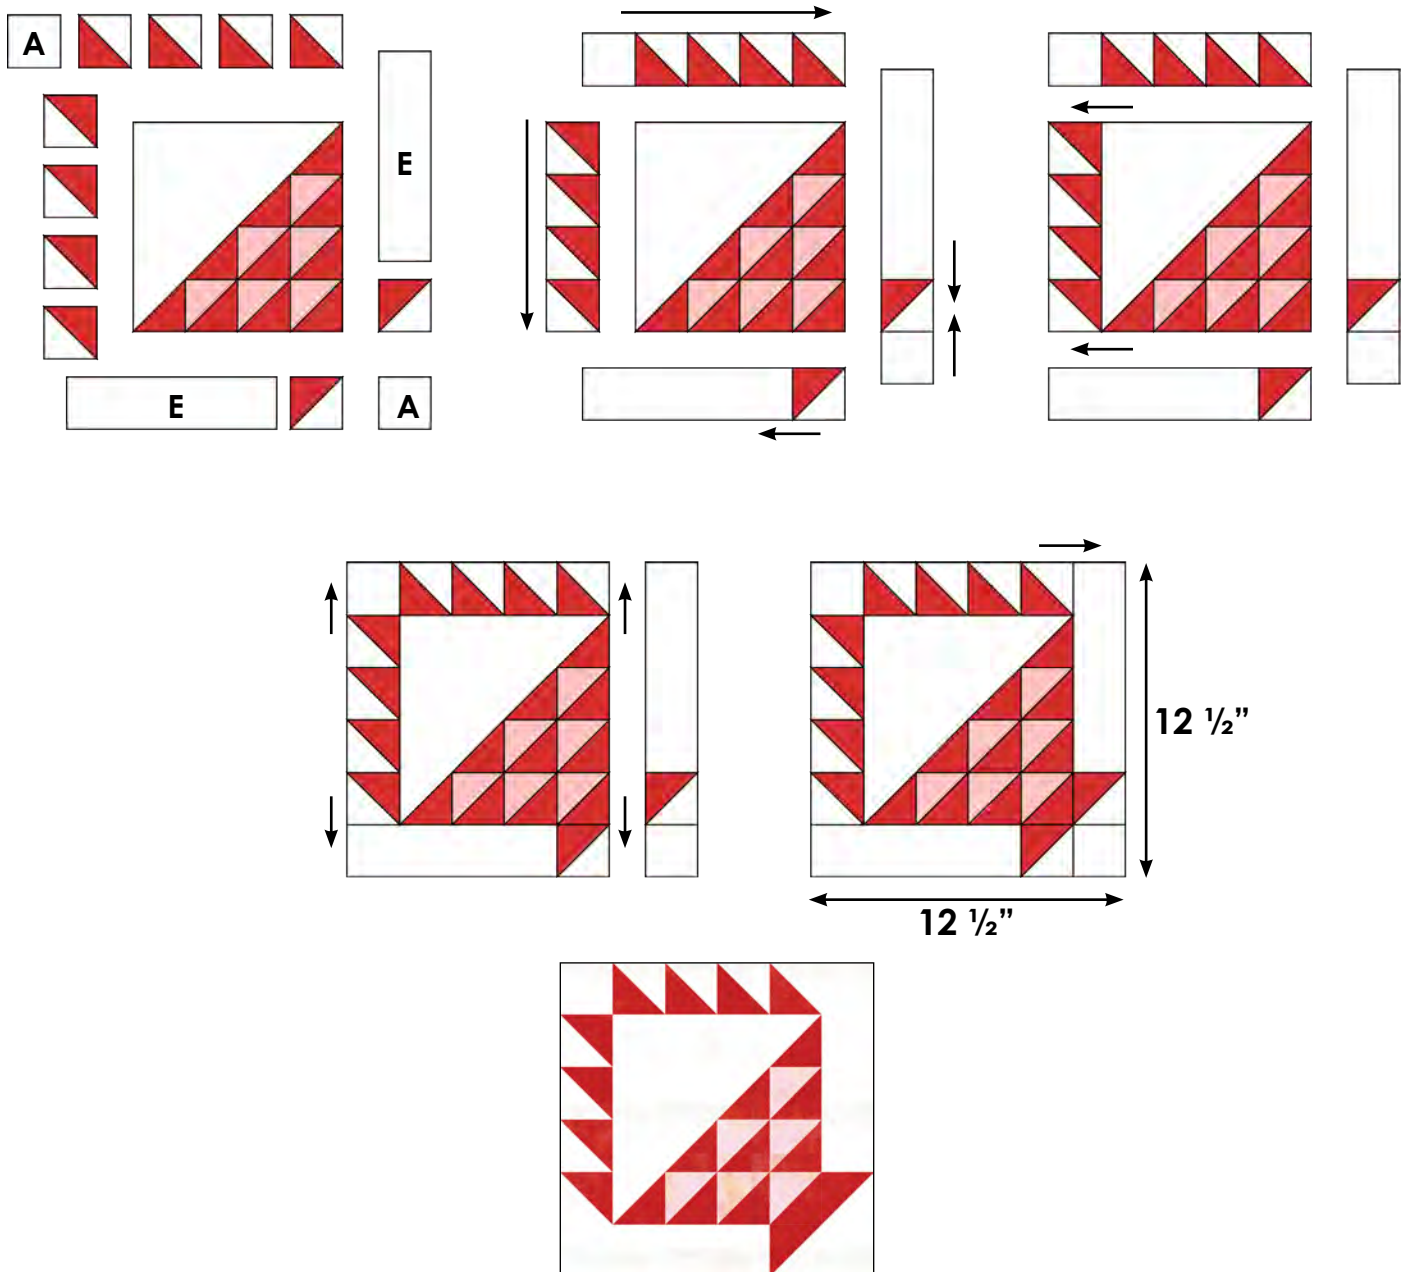

6. Place the remaining units around the block center as shown. Begin sewing the block together in stages following the diagrams for reference. Arrows indicate pressing instructions. Completed block should measure 12 1/2" x 12 1/2" unfinished.

Block 22

Something Special
